

All wood is 3/4 " clear or select pine. Biskit joined at ends. Shelves are held with dowels. A short peg is attached to side rails for shelf support. Two pairs of butt hinges allow sides to be folded after shelves are folder in upright position.

Description	Quantity	Dimensions
Side Braces	10	5 1/4 " x 1 1/2"
Vertical Rails	6	48 " x 1 1/2 "
Horizontal rails	5	36 3/16" x 1 1/2"
Shelves	5	36 " x 9 1/4"

Wooden Folding Shelf
